WELCOME

On behalf of the staff of Caringbah North Public School, I welcome all new families to our school. I am confident that your child will enjoy their time at Caringbah North Public School, where an emphasis is placed on fostering a positive and caring relationship between pupils, staff and parents.

The school encourages all students to achieve their greatest potential in the acquisition of knowledge, the development of skills and the formation of values which will assist them to live in an increasingly complex and changing world.

Student welfare, which encompasses everything the school community does to meet the personal, social and learning needs of students, is also emphasised and regularly evaluated.

Teachers supervise the students in the playground during all these periods. The school's morning supervision roster starts from 8.40am. There are no adult staff members available to ensure the safety of students in the playground prior to that time. Parents remain legally responsible for their child prior to 8.40am when supervision begins. We therefore ask that parents ensure that their child is not left unsupervised at the school before 8:40am unless their child is attending a morning rehearsal/training session.

Notes and information are sent out via the SchoolEnews app.

Please see instructions on page 28

SchoolEnews

2. ATTENDANCE AT SCHOOL

All students enrolled at school are required by law to attend school on each day that instruction is provided. All schools record daily attendance. It is the parents' duty to ensure regular school attendance and that students arrive punctually at school.

Parents should send a note, email or notification by digital forms on the SchoolEnews app to the school explaining any absences and contact the school if an absence is to exceed three days. The school also uses a sms service to follow-up on absences.

Parents who bring students to school late in the morning, or who wish to take them home at any time during the day, **must first go to the office to sign them** in/out and which details the reason. Parents/carers MUST accompany students to the office when arriving late. They can then be taken to class. Students arriving late and leaving early will be closely monitored and, if it becomes a regular occurrence, the school is required to follow up.

Attendance is monitored by class teachers and recorded in the school attendance register. The register is a legal document and therefore is often subpoenaed. It is essential that we record absences and the correct reason for each absence accurately. All absences are recorded, whether a 10-minute absence or a whole day absence. Absenteeism is carefully monitored by teachers, the school and the Home School Liaison Officer. Home School Liaison Officers are specially trained teachers who work with the school, staff, families and students to improve student attendance at school.

Please ensure appointments with doctors and dentists are made outside school hours. If the child is absent for any reason other than sick leave, leave approval must be sought from the school principal prior to commencement of the leave. Due to the implementation of the *ACARA National Standards for Student Attendance Data Reporting*, any travel or holidays taken by students outside of school vacation periods will now be recorded as absences on the student's record.

Parents will be required to complete an '*Application for Extended Leave – Travel*' and submit to the Principal for their consideration.

S1 = Stage 1 = Year 1 and Year 2

S2 = Stage 2 = Year 3 and Year 4

5. ROUTINES AND PROCEDURES

Enrolments

All local children who turn 5 years of age before August 1 are entitled to enrol at school. It is strongly recommended that they start during the first week of Term 1.

Parents can enrol a child through the online enrolment process on the school website. Requests for enrolment of non-local students will be considered on an individual basis. An '*Out-of-Area*' application is to be completed and submitted to the school office through the online enrolment system.

The orientation programs for Kindergarten and the Year 5 Opportunity Class will be advertised each year on the school website.

Calendar

Each term a school calendar is included in the Newslink and on the school website. Please keep this as a handy reference and update it whenever new dates are advised.

Canteen

The Canteen operates Monday to Friday and is open at lunchtime and recess. The Canteen aims to provide a variety of balanced and nutritious foods at a reasonable price. A list of available items and prices is issued at the beginning of the school year. Parents are also encouraged to monitor their children's diet. If you would like to help, please email cnpspandc@gmail.com. Volunteers unable to fill their shift are asked to try and find a replacement if possible. If no replacement can be found, they are asked to phone the Supervisor with as much warning as possible.

Ordering:

Orders can be placed using the Flexischools system. Orders need to be placed by 8.45am.

A class representative will collect all lunches before 11.10am. No food may be purchased prior to the commencement of school.

Charities

Each year the Student Representative Council determines which charity will be supported each term. Various activities are planned to raise funds for the nominated charities. Annual fundraising is held for Stewart House as well as to aid in the sponsorship of our World Vision Child Abroad.

Court orders

Where there are custody, care or access issues regarding a child, a copy of the court order needs to be given to the Principal to enable a confidential record to be made. Copies of any other court orders relevant to the family also need to be provided to the school.

Communication

Parents are informed of school activities via **SchoolEnews app**, by the school website, weekly Newslink, CNPS Facebook, notes sent home and by our newsletter CaringBUZZ which goes home twice per term in weeks 5 and 10. Both the Newslink and CaringBuzz are digital newsletters distributed by the SchoolEnews app.

Information about the School Enews app, and how to access it, is included on page 28 and the school website.

Notes which give details of specific school activities related to your child's education are distributed as required. *Parents should regularly check with their child to see if any correspondence has been issued.* Copies of school notes are also available on the school website.

Concern, Complaint or Feedback

If you have a concern, complaint or feedback, we do want to hear from you. Usually, the best person to approach is the class teacher. This can be done by arranging a phone call through the school office with the teacher or arranging a meeting if needed.

Sometimes you may need to speak to the Assistant Principal for your child's stage or to the Deputy Principal or Principal. This can also be arranged through the school office.

Excursions

Excursions, which are held on a Stage basis, are organised as required. All excursions are designed to complement our school programs and enhance your child's learning. Permission forms are emailed out to be completed online.

Homework

All students are provided with weekly homework that is in line with Department of Education recommendations. This will include literacy and numeracy tasks along with research projects in years 2-6. More information about tasks is provided in stage information sessions at the beginning of the year.

Interviews

Parents requesting an interview with the Principal or members of staff should contact the school to arrange a mutually suitable time. Please do not '*drop in*' to speak to teachers during class time or whilst they are on playground duty.

Parent/Teacher interviews are held at the end of Term 1. Contact with parents also takes place at the beginning of Term 1 as an Information Session.

Library

The library is operated, five days per week and is usually open to students during the second half of lunch. Borrowing is conducted during class lessons and at lunch time. Books can be kept for two weeks. To ensure books are kept clean and in good condition all students need a library bag when borrowing from the library. Families are responsible for the replacement of books which may be lost or damaged.

Lost property

Parents are strongly urged to label permanently and clearly all items of clothing plus school requisites. A *'Lost Property Box'* is located in both the K-2 and 3-6 areas. Please feel free to check for your child's missing items.

If your child's clothing has an orange "rag tag" the system, if you have set up the app, will send you a sms when it is in the lost property cupboard

Items not collected after a few weeks are either donated to the Uniform Shop Second Hand Clothes or a local charity.

Payments

Payments for all school related activities such as excursions, sport, etc. as well as fees, and resources, can be made online through the school website by clicking on the **\$Make a Payment** to access POP (Parent Online Payments) or through the SchoolEnews app. The office will send parent invoices via email to help parents directly. Our preference is online payments.

There is a separate box also provided for any P&C activities such as raffles, school fair etc. White papered notes go in *School Collection Box* and yellow papered notes go in *P&C Collection Box*.

Mobile Phones/ Smart watches and other devices

Mobile phones are important modern day communication tools. However, they can easily be improperly used, lost or damaged and must therefore be effectively managed. Students are not to bring mobile phones to school unless permission from the Principal has been successfully sought by parents who have outlined the health, safety or personal reasons that justify the student being in possession of a mobile phone. Application forms are available on the school website under - About our School/Rules and Policies.

Personal belongings

Students' personal equipment e.g., rulers, coloured pencils should, if possible, be labelled. Items of value, including expensive toys, should not be brought to school unless being used for news items. Even in this case, no responsibility can be taken for theft or damage to any item that a student brings to school.

Performances

On occasions during the year students are entertained and educated by visiting performers. These acts are all approved by the Department of Education and are designed to support school programs, especially in the Creative Arts.

School contribution

An annual contribution per child per year is sought by the school. This money enables educational resources to be purchased for use by your children. The contribution can be paid annually or each semester.

Special Religious Education (SRE) and Special Ethics Education (SEE)

SRE classes are held every Thursday morning by Protestant or Catholic Religious Instructors. SEE classes may also be available for your child dependant on the availability of volunteers.

K – 2 classes: 10.05am – 10.35am

3 – 6 classes: 10.35am – 11.10am

Parents have the right to request their child not attend SRE. The non-scripture group is supervised by a class teacher.

Further information can be found on the school website.

Uniform

Our Uniform Shop is located at the Eastern end of the K-2 toilets (driveway side) up a short ramp. It is very accessible for prams. Toddlers are very welcome. The school uniform is also available at Claudine's, 23 President Ave, Caringbah.

Vehicles – parking

Parents dropping students in the morning or collecting them in the afternoon are advised that there is **NO** vehicular access to the school, even on rainy days.

Parking regulations in Cawarra Road and Dianella Street must be adhered to so as to minimise the likelihood of accidents to students and significant fines.

Volunteering

All parent volunteers must complete required paperwork at the school office before taking on a role.

Parents are currently able to volunteer at the school canteen and uniform shop. You can contact the P&C via their email CNPSPandC@gmail.com.

Wet weather

On wet days, pupils should ensure that they have appropriate wet weather clothes.

On wet days students should arrive at school close to morning line time. When wet weather is called in the mornings after 8.40am, students go straight to class where they will be supervised by teachers.

Before and After School Care / The Caringbah North Activity Centre

Before and After School Care is a non-profit organisation which provides programs to enable students to play with friends and take part in a variety of supervised activities in a safe and caring environment.

The centre operates Monday to Friday between the hours of 7.00am to 9.00am and 2.45pm to 6.25pm.

The Caringbah North Activity Centre is onsite and can only be accessed in the morning and evening via the Cawarra Road gate, near the pedestrian crossing.

Please phone **9540 2239** for information about the Centre.

6. EMERGENCY PROCEDURES

There are procedures at our school for emergencies. These include evacuation and lockdown. The WHS committee reviews the procedures annually.

Drills are carried out at least twice per year and are then reported reviewed by our Work Health and Safety Committee. A debriefing with all staff follows each drill to determine the effectiveness of the emergency response.

Parents involved in school activities on the school premises will follow the same procedures outlined for the students.

Parents are advised in school News Bulletins not to contact the school during an emergency as phone lines need to be available for incoming and outgoing calls to and from various DET and emergency departments.

Students will not be dismissed from school until we are advised by Department of Education Network Office or Emergency Services.

OC classes are designed to cater for the needs of academically gifted primary school students throughout NSW. These classes operate in Years 5 and 6. Year 4 students apply to sit for an external test which is set by the Higher Performing Students Unit and usually held in either July or August. - Assist as needed, at school assemblies and other school functions

II. STUDENT WELLBEING AND BEHAVIOUR

Learning support team

The Learning Support Team meets weekly to ensure that the needs of individual students are addressed. The members of this team include the Coordinator, School Counsellor, teachers and the Learning and Support Teacher. Each class teacher attends a scheduled meeting to discuss needs of students in his/her class.

Learning and support teacher (LaST)

The Learning and Support Teacher assesses students who have been identified as requiring additional support in the areas of Literacy and Numeracy.

After consultation with the school Learning Support Team and the class teacher an individual program is written for each student.

Programs are implemented by the support teacher, class teacher and parent tutors who are trained to help. The support teacher also monitors and records students' progress.

Positive Behaviour for Learning (PBL)

Caringbah North Public School's discipline system aims to reinforce positive behaviour by clearly explaining to students expected behaviour, rewarding students with "*You Earned It*" cards.

Every five cards earn the student a different merit certificate. The maximum 25 cards entitles the student to a sew-on badge which is worn on the school hat. Certificates can be carried forward each year.

Certificates are presented at assemblies throughout the year and the names of '*25 You Earned It*' recipients are listed in school '*News Buzz*'.

A copy of the school's discipline policy, which fully details the many aspects of this program, is on the school website.

12. STUDENTS WHO ARE SICK OR INJURED AT SCHOOL

Students who indicate, prior to leaving for school, that they are unwell or students obviously unwell should not be sent to school. If you are unsure, it is better to keep them at home.

If a child is sick or injured at school, parents or the person nominated as an emergency contact will be notified by a staff member. It is expected that a family member or nominated person will come and collect the child from school as soon as possible.

On many occasions staff cannot contact parents or the nominated emergency contact and this can make it very difficult for everyone involved, particularly the sick child. *Please ensure any changes in contact persons and telephone numbers are forwarded to the school office immediately.*

If an illness or injury is serious, an ambulance will be called.

Infectious Diseases

Under the Public Health Act and Department of Education and Training regulations some common infectious diseases require children be kept at home to prevent the spread of infection. For further details the school office or NSW Department of Health should be contacted: <http://www.health.nsw.gov.au>

When must I keep my child at home?

The school's sickbay is for emergency or short-term use only. If children become sick at school their parents will be telephoned and asked to collect them.

Parents are required to provide the school with the name and phone number of an emergency contact for occasions when parents cannot be reached. It is important that information about emergency contacts is kept up to date. **It is essential that parents notify the school whenever contact details change.**

Administration of medication

Non-Prescribed

Under no circumstances will non-prescription drugs eg., Panadol, Nurofen, Claratyne, topical creams of any description, cough and cold medications etc. be administered to a student by any member of staff, teacher or administration officer.

These medications if required, must be accompanied by a medical plan from a doctor outlining the reason why they are needed. Alternatively, a parent or guardian may come to the school to administer these treatments.

Prescribed

Students who require medication, which has been prescribed by a doctor, must have the appropriate paperwork. The school will require a school medication form to be filled out and signed by a parent/guardian. Together with this form we require a written notification from the doctor, who has prescribed the medication, stating that the student requires the medication during school hours. Without this authority we will be unable to give your child their medication; however, a parent or guardian will be permitted to come to school and administer the medication themselves.

Asthma

It is recommended that asthma sufferers should carry on their person the appropriate asthma medication. It is important for their own well-being, in the case of an attack, that they have immediate access to their medication. The school first aid officer will support students who require assistance. Asthma medication is also stored in the office, along with the students Asthma Plan.

Please note that all asthma sufferers who require continual medication should have given a copy of their personal asthma plan to the office (for our reference in case of an emergency). These plans are developed by a doctor and are reviewed annually. They should be updated as variations occur.

In an emergency situation the school does hold Ventolin inhalers in the office for student use.

Naturally, in severe cases, where a student requires medical attention, we would immediately contact a parent or seek medical assistance from the doctor identified on your child's records or emergency ambulance services.

Immunisation

The NSW Department of Health recommends that all children entering school be fully immunised.

Parents enrolling kindergarten students need to present the school with an Immunisation Certificate provided by Medicare when their child's immunisation is complete.

This certificate may be obtained by contacting the Australian Childhood Immunisation Register on 1800 653 809 or via the myGov website. If you do not receive this certificate, you will need to enquire with the doctor, community health centre, council clinic, etc where your child was immunised.

Parents need to check with the most current requirements with regard to enrolling a child who has not been vaccinated.
