

Caringbah North Public School - School and Representative Sport Selection Procedure

Revised February 2024

CARINGBAH NORTH PUBLIC SCHOOL

Routines and Procedures

School and Representative Sport Selection Procedures

Rationale:

At Caringbah North Public School, sport is an integral part of our school curriculum. Students need to be provided with opportunities to participate in a range of sporting activities and programs suitable for their ability and interests. Sport assists in the development of a healthy lifestyle by promoting physical activity.

Sport is provided on a class, stage and whole school basis. School representative teams play in the Cronulla PSSA competition. Individual students may represent the school at Zone, Area and/or State in various sports, based on individual achievement at trials.

Aims:

The aims of this policy include:

- Provide an understanding of the various school sport programs at this School;
- Establishing clear and consistent guidelines for the selection of school Sporting teams;
- Establishing clear and consistent guidelines for the selection of students to attend Zone and Regional representative sports trials; and
- Establishing clear and consistent guidelines for the selection of students to receive the Sports Champions School Awards.

This procedure is to be used when selecting teams for PSSA, selection of students at Zone, and Regional representative trials and the procedure for selection of School Sports Champion each year.

1. Weekly Sports Programs – K-6

All students K-6 will participate in a weekly sports program. Students in Years K-6 must participate in a minimum of 150 minutes of planned moderate with some vigorous physical activity across the school week as outlined by the DOE policy (<https://education.nsw.gov.au/policy-library/policies/sport-and-physical-activity-policy>).

This time includes planned weekly sport. Students have the option to select their preferred program from the following options, depending on their age/class:

- School- Based Sport
- Paid Sporting Activities
- P.S.S.A Competitions

Students will also have the opportunity to participate in our annual carnivals:

- K-6 Athletics Carnival
- 3-6 Cross Country Carnival
- 3-6 Swimming Carnival

Students in year 2 who turn 8 years during that year can compete in our swimming, cross country and athletics carnivals to qualify for Zone PSSA carnivals.

School Based Sport

School based sport programs are available for students K-6 who are not selected in P.S.S.A teams or participating in paid sporting activities.

The programs focus on Fundamental Movement Skills, incorporating game-based activities. Fitness activities, such as Jump Rope, or aerobics or tabloid activities could also be undertaken as part of this program.

Sports and activities selected will be chosen according to the interest of the students, teacher expertise and relevance to the time of year.

Paid Sporting Activities

Students K-6 may also elect to participate in a paid sporting activity. These activities take place both in and outside of the school. Students involved in these activities pay fees to participate. Activities to choose from are dependent on the season, availability of venues/activities and a minimum number of students participating.

Examples of 3-6 activities can include swimming, tennis and lawn bowls. K-2 activities can include swimming scheme and gymnastics.

2. School P.S.S.A Sport for Students in Years 3-6 (8 years +)

Representing the school provides an opportunity for talented athletes (aged 8 and above) and for those students who have not had the opportunity to play a particular sport to be involved in a team sport, competing against students from other schools. Representing the school is an honour and students who represent the school have the responsibility to always compete in a manner that demonstrates good sportsmanship, fair play and exemplary behaviour. Teachers take on the role of coach in a voluntary manner.

The number of teams entered into competitions each season will be dependent on student age/interest, staff availability and the ability of the draw to accommodate teams.

Students may choose to trial for these teams. If selected, it is expected that the students will fulfil their commitment to the team until the completion of the season, unless injured or another satisfactory reason is provided.

Below is the selection process for P.S.S.A teams and Zone, Regional and State teams.

Selection Process:

When selecting students during trials, consideration will be given to those who display:

- Possession of the basic competencies for the activity under question; (competencies = skills, knowledge and attributes.)
- Sportsmanship;
- Cooperation and attitude;
- Commitment to training sessions;
- Ability to perform as a member of a team;
- Behaviour – A student's behaviour may be considered;
- Coach-ability – Can the student respond appropriately to the instructions given for the activity;
- Consideration of rules and/or guidelines of PSSA; and
- Consideration to forming balanced teams that will have the potential for development in future years.

At the beginning of each season, trials will be held in each sport in which students will participate as part of the Cronulla PSSA. The sports in which we choose to participate will be determined by the school including needs of students and the ability to meet guidelines/criteria as set out by Cronulla PSSA (ie. venue, equipment necessary, teacher willingness and skills):-

- The school will observe all rules and guidelines for participation as set out by the PSSA. For example, the school must follow strict rules governing number limits, grade, age, gender, skill level (if applicable) and safety requirements.
- Junior Teams will be selected from students from Years 3-6 aged 8, 9 and 10 (the age they are turning in the current school year).
- Senior Teams will be selected from students aged 11, 12 and 13 (the age they are turning in the current school year).

- Selections will be held over a minimum of two sessions.
- Reserves are required to be selected, with numbers of reserves depending on the sport and number of on-field players.
- Children do not have to participate in the sport out of school to be eligible to try out for the team.
- Students absent due to illness/injury for all trial sessions will be considered if appropriate time exists prior to selection of the team. This will be determined by the coach of the team.
- Students absent due to other reasons (eg holidays, family events, non-school based sport) and who still wish to be considered need to have parent nomination by email prior to the selection trials.
- The selections will be made according to performance on selection sessions at school in the current year; not based on previous year trials. Please note performances outside of school for a sporting club are not considered as part of the trial.
- All teams will be selected by a minimum of two teachers/selectors including the coach of that sport.
- If it is not stated that it is a single sex team, then the teams may be made up of mixed sexes, with a minimum number of each gender selected.
- A child may only play in the next age group if there are inadequate numbers to make a team or as a reserve in a one-off match. Students are ineligible to play down an age group.
- The responsibility for deciding who is to represent the school in a particular activity will lie with the member of staff in charge of or coordinating the activity. While taking account of the guidance offered by the preceding elements of this protocol, professional judgement will be relied on in all selections.

Responsibilities of selected Students and Parent/Carers

Selected students and their parents/carers have additional responsibilities including:

- Reading and signing a code of conduct (Parents and Players) – including behaviour during transport and when indirectly supervised (refer to Cronulla Zone website);
- Attending any training;
- Wearing the entire uniform and protective equipment;
- Adhering to school rules;
- Understanding and adhering to the rules specific to the activity; and
- Meeting any associated costs.

Please Note:

- Once selections have been made, decisions are final and must be respected.
- Parents are requested not to discuss the selection process with selectors unless specifically referring to the trial dates.
- The school reserves the right to withdraw any student, for a minimum of 1 week, whose behaviour is of concern to staff or whose behaviour does not deem them able to effectively and appropriately represent the values of Caringbah North PS. This includes behaviour in the classroom or on the playground, behaviour on school excursions or whilst travelling to and from school. Parents will be consulted in this instance. This is supported by our Student Behaviour Management policy

3. Selection of Students at Zone, Regional Representative Trials

Students will have the opportunity to trial for relevant school P.S.S.A sports. The school team will be selected on performance at School Carnivals. Relay teams will be selected by the Sports Convenor based upon results at the school carnival, and other factors such as previous performance within school competition and training. If necessary, selection trials may be held to determine relay positions.

Parents are directed to the Cronulla Zone Website for full and current information:

cronullapssa.nsw.edu.au

School Representation to Cronulla Zone or Sydney East Regional Team Trials

Cronulla Zone P.S.S.A provides the following information in relation to sending students to Zone trials:

"The Zone pathway is for students who are able to demonstrate they are gifted and talented athletes. Zone trials are not a come and try day. Each school may send a maximum of 6 students to a Zone trial. In exceptional circumstances dispensation may be given by the Zone Convener in consultation with the Executive to allow additional students to trial."

Students who trial are selected because of parent nomination, experience in their sport usually at a representative level.

Caringbah North Public School will nominate students to attend Zone and/or Regional trials based on the following criteria:

- Students must be enrolled pupils at Caringbah North PS;
- Students must have the school's permission to trial, nominated by the School Sports Organiser and endorsed by the Principal. Both the School Sports Organiser and the Principal must sign the Zone or Regional permission note;
- Students must meet the age requirements and any other criteria if specified; and
- Students must have ability in the sport trialling.
- If the number of students nominated exceeds 6 then a school based trial will be conducted to select the top 6 representatives.

For P.S.S.A sports NOT played at school level, students are able to nominate their interest in attending Zone or Regional trials. They will need to meet any criteria specified by the relevant Association and/or Convenor. In addition, students will also need to demonstrate appropriate experience and ability to the School Sports Organiser. This may include years of playing, and any club or representative teams of which the students plays. Students will be considered upon meeting any criteria.

The School Sports Organiser will then determine which students will be nominated to attend trials based on Zone or Regional trial information and student demonstration of experience and ability.

4. Cronulla Zone P.S.S.A and Sydney East S.S.A Selection Policies

The selection process of both the Cronulla Zone P.S.S.A and Sydney East P.S.S.A must be followed in order for students of Caringbah North PS to be eligible for selection.
