

## Information for the drop-off of students from Monday 25 May from 8:40am – 9:10am

- From Monday 25 May all students are to be dropped off at a school gate.
- A staff member will be at the school gates on Cawarra Road to greet the students and at the gate near Dianella Preschool.
- Parents are not to enter the school site unless there is an essential reason to do so, such as a pre-arranged appointment with a staff member.

### How parents can help

- Use email or phone to contact staff, rather than a face to face meeting.
- Maintain physical distancing from other parents when dropping off students.
- You can also help by letting your child learn to carry their own back pack.

## **Questions you might have**

### **Why are the K-2 students coming out from different gates?**

We need to help parents keep a physical distance on the street, so by sending the students out different gates will help this.

### **What if I have children in K-2 in different grades?**

We suggest you pick up the youngest child first. If you have older children in 3-6 ask them to also go to the youngest child's designated gate.

We have chosen to go by grades rather than having gates designated for different letters of the alphabet. This will keep the children with their class teacher and provide greater safety in knowing who is picking up children.

### **What happens if it rains?**

We are still working on this one!

### **Can another parent, or family member, pick up my child?**

Yes. If it is a regular thing, please let the teacher know, so they feel comfortable with the handover arrangements. If you have a current arrangement already in place that is sufficient.

If it is a one off thing, please let the school know before 2pm.

### **What happens if my child/children ride their bikes or walk home or walk to the station?**

That's fine. They will be released at 3:10pm.
